PARENTAL PERMISSION FORM

Because of the responsibility and liability involved, it is necessary for the Academy to forbid resident students to ride in cars without the written permission of the parent. The permission, if granted by the parent, must be on file in the dormitory master's office before the student will be permitted to use private transportation while under the jurisdiction of the school. This form grants permission to ride in any vehicle not owned by the Academy. **The school does not encourage such permission.** Transportation to Academy functions will, of course, be provided. St. Johnsbury Academy reserves the right to withhold the privilege provided by the above permission if the situation warrants.

COMMUNICATION

St. Johnsbury Academy provides consistent communication to parents regarding the daily activities of life on campus via the Academy's website www.stjacademy.org. We utilize e-mail as the primary communications vehicle to send announcements, school closing, travel plans, etc.

A valid e-mail address is vital to our efforts to communicate effectively.

Please provide the primary e-mail address(es) that the Academy should use for these important communications:

PERMISSION FOR MEDICAL TREATMENT / RELEASE OF MEDICAL INFORMATION (To be completed every year)

In rare instances, a surgical emergency arises in which written consent by the parent or guardian is legally required but the proper person cannot be located. In this event, and in order to avoid delay which might jeopardize the life or recovery of a student, we request the following information from the parents or guardian, with the understanding that every effort will be made to contact them in an emergency.

Student's Social Security Number (for U.S. citizens): _____

I authorize the School Nurse, or other health care providers considered appropriate by them, to carry out accepted procedures for diagnosis, immunization, medical and minor surgical treatment, or counseling for my (son, daughter, ward). I authorize the School Nurse or other physicians or surgeons considered appropriate by him/her to give necessary anesthesia and perform emergency surgical operations on my (son, daughter, ward).

I agree to notify St. Johnsbury Academy of any conditions arising when my (son, daughter, ward) is not at school.

I hereby authorize St. Johnsbury Academy to release information concerning my child to appropriate health care providers.

I authorize health care providers to release information to the school.

I hereby authorize payment directly to the health care provider of the hospital insurance benefits otherwise payable to me but not to exceed the balance due of the hospital's regular charges for this period of hospitalization. I understand I am financially responsible to the health care provider for charges not covered by this authorization and any applicable rates and terms.

Our health care professionals, counselors, advisors, and administrators strive to respect the privacy of our students; however, there are times when information may need to be shared with parents, select faculty, and school officials. Therefore, parents and students consent, as a condition of enrollment, that otherwise confidential health care and counseling information may be disclosed on a need to know basis to the extent necessary to protect the health, safety, and welfare of the student and community.

Have you had frequent or prolonged visits* to one or more of the countries or territories listed above with a high prevalence of TB disease? (If yes, CHECK the countries or territories, above) ☐ Yes ☐ No

Have you been a resident and/or employee of high-risk congregate settings (e.g., correctional facilities, long-term care facilities, and homeless shelters)? ☐ Yes ☐ No

Have you been a volunteer or health care worker who served clients who are at increased risk for active TB disease? ☐ Yes ☐ No

Have you ever been a member of any of the following groups that may have an increased incidence of latent *M. tuberculosis* infection or active TB disease: medically underserved, low-income, or abusing drugs or alcohol? ☐ Yes ☐ No

If the answer is YES to any of the above questions, [St. Johnsbury Academy] requires that you receive TB testing as soon as possible but at least prior to the start of the subsequent semester).

If the answer to all of the above questions is NO, no further testing or further action is required.

* The significance of the travel exposure should be discussed with a health care provider and evaluated.

Part II. Clinical Assessment by Health Care Provider

Clinicians should review and verify the information in Part I. Persons answering YES to any of the questions in Part I are candidates for either Mantoux tuberculin skin test (TST) or Interferon Gamma Release Assay (IGRA), unless a previous positive test has been documented.

Does the student have signs or symptoms of active pulmonary tuberculosis disease? **Yes** **No**

If No, proceed to 2 or 3

If yes, check below:

- ☐ Cough (especially if lasting for 3 weeks or longer) with or without sputum production
- ☐ Coughing up blood (hemoptysis)
- ☐ Chest pain
- ☐ Loss of appetite
- ☐ Unexplained weight loss
- ☐ Night sweats
- ☐ Fever

Proceed with additional evaluation to exclude active tuberculosis disease including tuberculin skin testing, chest x-ray, and sputum evaluation as indicated.

2. Tuberculin Skin Test (TST)

PARENTAL CONSENT AND AGREEMENT (To be completed every year)

I _____, acknowledge and agree that all prescriptions and over-the-counter medications/supplements must be given to the St. Johnsbury Academy Director of Health and Wellness, together with written orders from a physician. (The physician's orders must detail the name of the drug, dosage, time interval the medication is to be taken, diagnosis, and reason for giving.) My completion of this form constitutes my request for The Academy to comply with the physician's orders. I hereby assure St. Johnsbury Academy that my child has suffered no previous ill effects from the use of the listed medications.

My completion of this form constitutes my request and consent to have SJA store and administer, and allow my child to self administer, the listed prescription and non-prescription medications and supplements. I specifically consent to St. Johnsbury Academy: (1) to store and administer the listed medications, over-the-counter medications and supplements to my child, (2) to disclose these medications whenever it seeks medical services on my child's behalf, and (3) to have my son/daughter self-administer the listed medications as indicated by his/her physician's attached orders and the information listed in this form.

I give further permission to St. Johnsbury Academy for my son/daughter to have in his/her possession their prescribed medications when traveling from home to school or to school-related destination or when traveling to his/her destination during school vacations and when signing off from campus on weekends. I agree that my child will be given only the amount of prescription medications (except for the listed emergency medications) needed for the time he/she will be away from school.

I acknowledge and agree that medication must be brought to school in a container labeled by the pharmacy or physician and stored by the St. Johnsbury Academy Director of Health Services, or his or her designee, in a secure storage place.

I acknowledge and agree that I have reviewed the possible side effects of the listed non-prescription medications and supplements (listed on the medication or supplement's container) with my child.

I acknowledge and agree that I have disclosed all information concerning any life threatening allergies or asthma that my child may have to the St. Johnsbury Academy Director of Health and Wellness and hereby agree to supplement that information as needed in order to ensure my child's safety and well being. Students with life threatening allergies or with asthma, and whose parents or guardians have completed the consent form below, shall be permitted to possess and self-administer emergency medication at school, on school grounds, at school-sponsored activities, on school-provided transportation, and during school-related programs.

I further agree to provide St. Johnsbury Academy a newly completed form (accessed from the School's website) whenever my child's prescription and non-prescription medications are changed. I agree to telephone the St. Johnsbury Academy Director of Health Services with any specific new instructions related to medications and to e-mail or fax the newly completed form promptly to:

Sarah Garey, RN, NCSN, CADC
Director of Health Services
802-748-7718 | fax 802-748-7798
sgarey@stjacademy.org

I further acknowledge and agree that if I have any concerns or questions about the administration of my child's medication or supplements, then I will contact without delay the St. Johnsbury Academy's Director of Health Services.

I hereby release the school, its employees and agents, including volunteers, from liability as a result of any injury arising from my child's self-administration of the above-listed prescription, non-prescription medications, or supplements.

PARENTAL AUTHORIZATION FORM - EMERGENCY MEDICATION
(To be completed every year)

As the parent (or guardian) of _____, I hereby authorize my child to possess and self administer emergency medication at school, on school grounds, at school sponsored activities, on school provided transportation, and during school-related programs.

As documented by the attached physician's statement, my child has _____
(name the specific life-threatening allergies or asthma applicable to this authorization), and is capable of, and has been instructed by the physician in, properly self-administering the emergency medication named by the physician.

As further documented by the attached physician's statement, my child has been advised of possible side-effects of the medication and has been informed of when and how to access emergency services.

The attached plan of action, developed specifically for the 2021/2022 school year, in consultation with the SJA Director of Health Services, is based on the documentation provided by the physician's statement and includes the name of each emergency medication, the dosage, and the times and circumstances under which the medication is to be taken. The plan of action also indicates that the medication is solely for the use of my child, and includes the names of individuals who will be given copies of the plan. I understand that one of the requirements of the plan is that my child will notify a school employee or agent after self-administering emergency medication.

I hereby release the school, its employees and agents, including volunteers, from liability as a result of any injury arising from my child's self-administration of emergency medication.
