Applicants for The St. Johnsbury Academy Student Travel Scholarship and her/his parent(s) or guardian(s) must agree to and understand the following considerations and policies:

1. A scholarship recipient must abide by all St. Johnsbury Academy policies governing behavior and general expectations of its students participating in off-campus programs;
2. The scholarship only covers program costs, flights, lodging, and travel insurance. It does not cover the recipient's spending money, phone cards, or other incidental expenses related to the trip;
3. If the recipient is returned to St. Johnsbury Academy from an off-campus experience due to an infraction of Academy policy, the student and his/her parent(s) or guardian(s) are responsible for compensating the Academy for total trip costs as well as the costs incurred in returning the recipient home;
4. Finally, each recipient is required to submit a written summary of or reflection on (preferably with photos) his or her experiences on the trip and what s/he gained and/or learned from the experience. This is to be submitted to Tammi Cady in the Alumni Office no later than one month after the trip's return or before the end of the school year, whichever comes first.

Furthermore, we confirm the following by initializing these points:

_____ that the applicant has not previously traveled abroad or participated in any trip or exchange similar to any of those listed above, whether as part of a group, individually, or with family;

_____ that my family qualifies for free or reduced lunch;

_____ and finally, I attest that in submitting this application, I am abiding by the spirit of this scholarship which is intended to benefit students whose families cannot reasonably afford this kind of experience and who have no other reasonable means of doing so.
