

Culinary Arts Program of Study

Career Cluster: Hospitality and Tourism Career Cluster Pathway: Restaurants and Food/Beverage Services

This Program of Study is built for those interested in concentrating on a Career and Technical Education pathway. Students following this pathway will lead them to College/University study or immediate employment. Parents, teachers, and counselors are encouraged to modify it to fit the career and college planning of the individual. Please refer to the SJA course bulletin for class listings that can be substituted for those listed here.
