St. Johnsbury Academy is an approved independent school.

S166. APPROVED AND RECOGNIZED INDEPENDENT SCHOOLS

On application, the state board shall approve an independent school which offers elementary or secondary education if it finds, after opportunity for hearing, that the school provides a minimum course of study and that it substantially complies with the board's rules for approved independent schools. The board's rules must at minimum require that the school has the resources required to meet its stated objectives, including financial capacity, faculty who are qualified by training and experience in the areas in which they are assigned, and physical facilities and special services that are in accordance with any state or federal law or regulation. Approval may be granted without state board evaluation in the case of any school accredited by a private, state, or regional agency recognized by the state board for accrediting purposes.

An approved independent school shall provide to the parent or guardian responsible for each of its pupils, prior to accepting any money for that pupil, an accurate statement in writing of its status under this section, and a copy of this section. Failure to comply with this provision may create a permissible inference of false advertising in violation of 13 V.S.A. S2005.

Dear **St Johnsbury Academy** Community:

Since 2022, Vermont has successfully implemented Universal School Meals. This program enables schools to offer free breakfast and lunch to all students, regardless of household income.

However, even though meals are now free to all students, our schools still need to gather household income data. This data helps Vermont access the maximum possible federal dollars for school meals, which will reduce the burden on Vermont taxpayers.

But it's about more than meals. Household income data is needed to ensure that millions in federal education dollars continue to flow to Vermont to support educational benefits and to make sure that these funds are fairly distributed across our state. Some examples of uses of this funding are:

- Federal funding for schools' reading, math and other educational programs,
- Afterschool and summer program resources,
- Broadband access programs,
- Special education,
- And many more.

This information is also needed for required reporting that accompanies the federal education funding the state receives each year. When you fill out the form, you help us make sure Vermont's information is accurate and complete.

We need your help! Every family in our school community needs to fill out the form to help create a brighter and more equitable future for all of Vermont's students. Even if you didn't fill out these forms in the past, doing so now will help Vermont maintain an affordable Universal School Meals program and continue to receive millions in essential federal education dollars.

Please complete the **SY27 Household Income Form** for your household. This form should only take a few minutes to fill out. Please reach out to Stacie Ruggles [802-748-7708] or Carol Lyon [802-748-7703] if you have any questions. Thank you for taking the time to help St. Johnsbury Academy support access to free meals for our students.

Kind regards,

Carol Lyon
Assistant Headmaster Business Services/CFO
